Each Group Reading Session should have a clear structure:

- Review
- Teach
- Read

MP Teach: Session 1

Book Talk & Decoding

Book Talk

- What is the title?
- Who do you think are the characters?
- Where do you think the story might be set?
- What do you think might happen?

Decoding

- Ask the children to find words that contain the target grapheme
- Focus on particular words to decode
- Model reading sections of the book - use my go, our go, you go modeling fluency and decoding

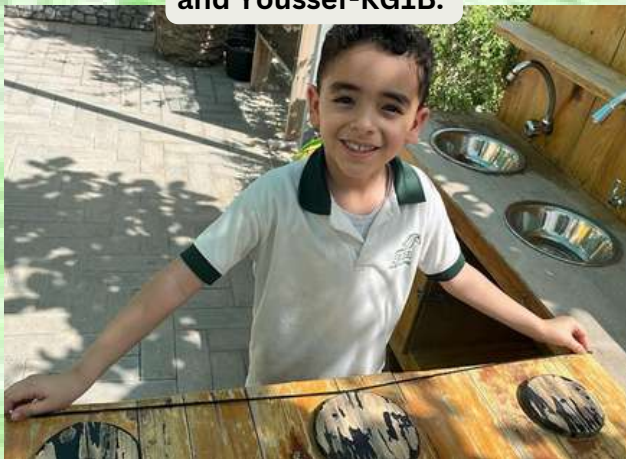

Nature is a tool to get children experience not just the wider world, but themselves.
