For those who are unable to attend, your child's class teacher will publish the video recording of the training session to Edunation.

- **Schoolbooks, notebooks, and other personal belongings**

Parents are kindly requested to clearly label all of their child's school materials and personal belongings, including items such as school blazers, school jackets, water bottles, lunch boxes, and any other school supplies. Proper labelling significantly eases the process of returning lost items to their rightful owners. Recently, we have noticed an increase in the number of items left behind by students, and many of these cannot be returned because they lack identification.

The school has Lost and Found cupboards located on both the ground and first floors. We encourage parents to label items with their child's name and class, as this small effort can prevent items from getting misplaced. We genuinely do not wish to see any more belongings lost, and we implore all students to take great care of their possessions.

Thank you for your cooperation in advance.

- **Update to Class Timetable (Years 2 to 10)**

Parents of Years 2 to 10 students are advised that there will be changes in your child's timetable. The same will be shared by their class teachers on Edunation shortly.

- **School Uniform**

EIS firmly believes that a safe and disciplined learning environment is essential for a high-performing school. The implementation of school uniforms reduces disruptive behaviour, fosters respect for oneself and others, enhances school spirit, and importantly, helps uphold high academic standards.

- We expect students to wear their complete and proper uniform at all times, in accordance with their timetable.

Scarves for Year 6 girls and above are now available at the AJ store, along with the rest of the uniforms.
Please call 03 737 7234 to verify the availability of sizes and store hours before your visit.

Thank you for your attention.
