#### **World Teacher's Day**

World Teachers' Day is a momentous global celebration, observed annually on 5th October, dedicated to honouring the extraordinary contributions and unwavering dedication of educators worldwide. ***At EIS, we are excited to mark this special occasion with heartfelt enthusiasm and gratitude.*** As World Teachers' Day falls on a Sunday this year, we will celebrate and honour our inspiring teachers on Friday, 3rd October 2025.

Our celebration will feature a program, including expressions of appreciation, special presentations, and moments to reflect on the profound impact teachers have in shaping minds and empowering students. This event is not only a tribute to the tireless commitment of our teachers but also an opportunity for the entire EIS community to come together in joyful recognition.

We invite you to ask your child or children to join in by making personal cards and notes to say thank you. These small acts can mean a lot and show our teachers how much they are valued.

Thank you for your attention and cooperation.

Best regards,

**Excel International School**
