13-11-2025	Thursday	Reading	10B, 10G	

The **International Benchmark Tests (IBT)** provide a standardised measure of student performance in comparison with peers worldwide and within the region. These assessments help identify students' strengths and areas for improvement, supporting concept reinforcement and academic growth. The test items are designed to foster higher-order thinking skills, including problem-solving, reasoning, and critical analysis in a global context.

As the tests will be conducted **online**, please ensure that your child's device meets the required **system specifications** for smooth test administration.

Technical Requirements

- PC or laptop, iPad or other tablet devices
- Minimum screen resolution: 1024 x 768
- Internet connection
- Compatible browsers:
Google Chrome (latest version), Mozilla Firefox (latest version), Safari (version 10 or above), Edge (latest version) or Internet Explorer (version 11 or above with compatibility mode disabled)

Important Note: If your child is unable to bring his or her device to school for the IBT-Arabic exam, [please notify the class teacher immediately so that arrangements can be made](#) with the school's IT department.

Thank you for your attention and cooperation.

Best regards,
EIS Administration
