

Dear Parents,

In accordance with the directive issued by ADEK, please be advised that, due to the prevailing circumstances, **the school will transition to distance learning for all students from Tuesday, 5 May, to Friday, 8 May 2026.** During this period, all staff members will also work remotely from home. The situation will be closely monitored, and any further measures deemed necessary to safeguard the well-being of students and the entire school community will be implemented accordingly.

We appreciate your ongoing support. Please remain attentive to forthcoming updates, which will be communicated through our official school channels.

Please stay safe.
