SustainEd: Shaping Sustainable Minds for a Greener Tomorrow

## \* ANNUAL DAY CELEBRATION

### In this issue

- Annual Day
- Power Math Workshop for teachers
- KS3 English Training
- Talent show
- Attendance
- Class activities
- Free Play
- Prefects
- Awards

Excel International school's Annual Day was a beautiful and memorable celebration filled with smiles, happiness, and endless laughter. With the theme "Laughter express", the event aimed to remind us all of the joy, positivism, and the togetherness that laughter brings to our lives. One of the highlights of the day was the playful performances, which reminded everyone that laughter is the best medicine.

Our energetic KG students lit up the stage with a delightful dance performance to the lively song "I Am the Music Man." and "The Laughing Policeman". With bright smiles, fun actions, and wonderful rhythm, the children confidently moved to the beat.

## Talent show: Little Stars, Big Talents!

Natalia and Natania year 1

Agatha year 1

Navya year 1

Yoshika year 1

Enrico year 1

Pranav year 1

Emal year 1

Abdulla and Abdulrahman year 1

Students presented a variety of performances, including dancing, singing, playing of a piano, recitations, and fun acts. Their confidence, enthusiasm, and joyful energy filled the atmosphere with excitement and applause. The event provided a special platform for children to express themselves, build confidence, and discover their strengths.

# Play Freely, Learn Naturally!

Natalia Year 1A

Sand Play Omar and Mohammed FS2 A

Wenyu building Strong Number Skills FS2 B .

Big Ideas with Small Blocks Zaina and Yoshika Year 1A

Free Play is a vital part of early childhood education where children engage in activities of their own choosing, guided by curiosity and imagination. During Free Play, children explore materials, interact with peers, and experiment with ideas in a safe and supportive environment.

Creative Minds Cooking with Joy! Mira and Hamdan FS2A

Future Architects at Work Year 1B

# MAKING LEARNING FUN: where every activity turns into a new discovery

discovering living and non living things FS2A

Soft, Rough, Smooth or Bumpy Let's Feel

Students enjoyed activities such as arts and crafts, storytelling, phonics games, number activities, and role play. These experiences helped to improve their communication, creativity, teamwork, and problem-solving abilities. The children showed great enthusiasm and curiosity, making learning both fun and meaningful.

Year 1B students practiced arranging words to form simple and meaningful sentences

FS2 B Learning About Plants from Root to Flower

questions and answer puzzle

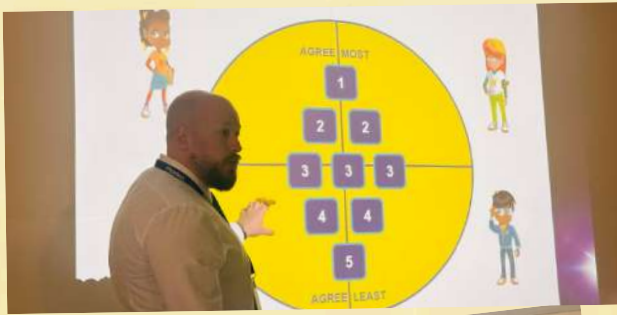

Students enjoyed finding and recognizing numbers in a fun and engaging way.

The assembly began with a prayer and meaningful thoughts about how faith gives us strength, confidence, and hope during challenges. Students shared short messages and examples of how faith helps us stay positive and determined in our daily lives.

## Power Math Workshop for teachers

Empowering teachers with innovative strategies, practical tools, and renewed confidence to create engaging, inclusive, and meaningful learning experiences that support the success and growth of every student.

# OPEN HOUSE

Excel school recently hosted a successful Open House, warmly welcoming parents and families into our learning environment. The event provided a wonderful opportunity for parents to interact with teachers, explore classrooms, and gain a deeper understanding of their children's learning experiences.

Each classroom was thoughtfully arranged to showcase students' work, learning resources, and ongoing projects. Teachers shared insights into the curriculum, teaching strategies, and the progress made by the students. Parents had the chance to ask questions, discuss their child's development, and learn how they can support learning at home.

## Awards: A Proud Moment to Celebrate Determination, Achievement, and Excellence

Receiving these certificates was a proud moment for the students, celebrating their effort, practice, and passion. Their performances not only entertained but also inspired their peers to explore and develop their own talents.

We congratulate all our young stars for their wonderful achievements and encourage them to continue shining and nurturing their talents.

## Making Every Birthday a Happy Memory

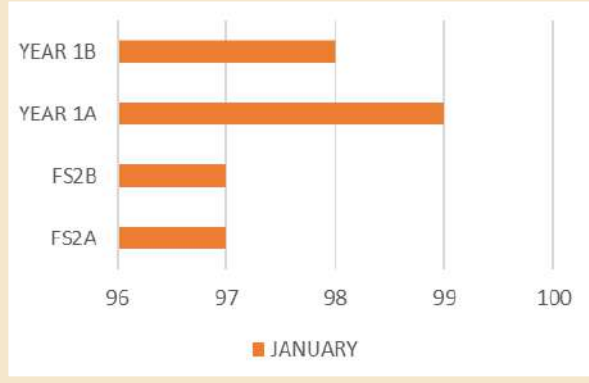

We wish all our birthday stars a wonderful year ahead filled with happiness, good health, and success!

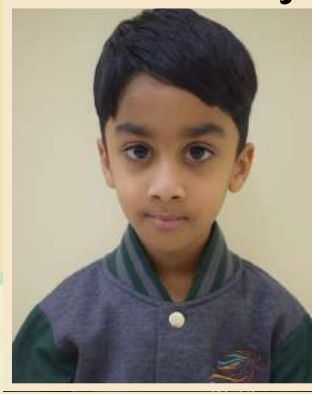

## Stars Who Inspire Us All

Being a Star Student goes beyond grades, it means showing respect, cooperation, and kindness to others. We're proud to celebrate these accomplishments and encourage our students to keep shining. Congratulations to all our Star Students, and a special shout-out to Omar, who isn't in the photo. Keep up the great work and keep reaching for the stars.

*Editors of the month*

**Rishaan Nidhin**

**Tsabit Kaif**

We appreciate the support of parents in ensuring their children attend school regularly and on time. Well done to our young learners for their dedication and consistency. Keep up the great work!

**Omar Mahmoud**  
FS2A

**Huzaifah Hamza**
