

Dear Year 5/Grade 4 to Year 9/Grade 8 Parents,

Warm greetings!

We are pleased to inform you that today, **your child received the Term 2 Summative Assessment papers for your careful review. We kindly request that you take the time to thoroughly examine the answer scripts.** If you have any questions or need clarifications, we encourage you to bring them to the attention of our teachers during the Open House, which is scheduled for this coming Friday from 6:00 PM to 8:30 PM.

Please note that **the final versions of the report cards will be uploaded to eSIS and made available on the TAMM platform** only after the Open House. The report cards distributed at the Open House will be labeled as “incomplete” and are not yet finalised, allowing for any necessary amendments in rare cases.

Additionally, we kindly request that you sign the **Acknowledgement Slip** provided with the answer scripts. Please ensure that your child returns the signed slip to their class teacher by tomorrow, 10.04.2025. This slip serves as confirmation that you have received and reviewed the answer scripts with your child.

We truly appreciate your cooperation and support in this matter, and we look forward to seeing you at the Open House.

Best regards,

EIS Administration
