

Dear Parent,

Greetings of peace and safety!

Here are some important information for you:

- **[Earth Day 2024](#)**

The Earth Day observance will be tomorrow, 23rd of April, 2024. The school children will be attending a special assembly where they will be exposed to a programme aimed at raising awareness about the importance of conserving and preserving our planet. Additionally, activities related to the same will be conducted across the classes.

Parents are kindly requested to dress and send their children in colourful attire that represents the *colours of the Earth*.

- **[Online Workshop with the World's Fastest Human Calculator, Neelakantha Bhanu!](#)**

EIS is thrilled to present an exclusive opportunity to supercharge the arithmetic skills of our **Grades 1 – 8 students** with the *World's Fastest Human Calculator, Neelakantha Bhanu!*
