

AJ CLUB AFTER SCHOOL ACTIVITIES (OPTIONAL)

Dear Esteemed Parents,

At Excel International School, instilling a culture of sports and games is a paramount focus, reaching beyond just our students to encompass our dedicated staff and even involving parents in certain activities. Our overarching goal is to champion a healthy lifestyle encapsulated by our motto, "**Fun & Fitness through Sports.**"

We are thrilled to announce the commencement of AJ Club After School Activities for the upcoming third term on April 24th, 2024. Our objective is to offer students diverse captivating and enriching activities that foster learning, skill development, and social interaction. Engaging in these activities presents a splendid opportunity for students to delve into their interests beyond the confines of the classroom, facilitating the cultivation of new talents.

Starting from this term onward, we are opening up the opportunity for external students to become part of the AJ Club. A cordial welcome is extended, especially to the recently enrolled students. We encourage them to seize this chance to partake in an enjoyable experience of sports, games, and holistic development.
