

Dear Parents and Guardians,

Please be advised of the following information:

- **Save the Date: Kindergarten Graduation Ceremony!**

We are pleased to invite you to mark your calendars for our upcoming **Kindergarten Graduation Ceremony**—a joyful celebration of growth and achievement! This occasion honours the remarkable journey our children have undertaken during their time in FS2 and Year 1. **The ceremony will take place on Friday, 15th May at Zayed Central Library.** Join us as we commemorate the milestones they have reached and cheer them on as they embark on the next exciting chapter of their educational adventure.

- **Earth Day 2025**

This is a friendly reminder to dress your child in clothing that symbolises the vibrant colors of our planet—deep **blues** like the ocean, rich **greens** reminiscent of lush forests, or earthy **browns** that evoke the soil beneath our feet—as we joyfully celebrate **Earth Day** tomorrow, **Tuesday, April 22, 2025**. This occasion serves to reinforce the importance of nurturing and protecting our Mother Earth.

- **Seat Reservation for AY 2025-2026**

We extend our thanks to the parents who have secured their child's place at EIS for the upcoming academic year. Registrations for new students are currently ongoing and processed on a first-come, first-served basis. *Priority is given to current students and siblings of current EIS students.* **However, admission is limited only by the availability of seats**, so we encourage you not to wait until the last moment to reserve your child's seat.

Additionally, if there are no vacancies in the desired grade level, students will be placed on a waiting list and the school will reach out to the parents or guardians if should a seat become available.

Thank you for your attention and cooperation.

Best regards,

**EIS Administration**
