

Dear Parent/Guardian,

Greetings of peace and safety!

The school has received numerous requests from parents to move the dates of the final examinations before the Eid holidays. Taking into account our parents who have submitted valid proof of their travel, please note that the **Term 3 Summative Assessments** will take place from **3rd June 2024 (Monday) to 14th June 2024 (Friday)**. Kindly refer to the timetable provided below and review it carefully.

Date	Day	Grade 4	Grade 5	Grade 6	Grade 7	Grade 8

Assessment timings and portions for the above will be shared with you in the next communication.

Student attendance and punctuality throughout the exam time are critical. If a student is unable to attend an exam, even for a single day, they must present a valid medical certificate to request a reschedule. Exams will not be rescheduled unless a proper medical certificate is provided, and no marks will be awarded for missed exams.

Following the Eid holidays, KG1 to Grade 3 pupils will resume their regular classes. Students in Grades 4 - 8 will participate in skill-based workshops that will run until the end of this academic year's 2022-23 session. Workshop information and timetable will be communicated to you shortly.

The last day for all students is on Friday, July 5, 2024.

We appreciate your understanding and compliance to the attendance and punctuality guidelines. We thank you for your cooperation and support in helping our students thrive and succeed.

Best regards,

EIS Administration
