

Dear Parent,

The **Jubilant Journeys, the Senior Kindergarten Graduation Ceremony**, will be held on **May 31, 2024 (Friday) at the UAE University – Al Multaqa from 4:30 PM – 7:15 PM**. It will be a heartfelt celebration of a significant milestone in our young learners' lives. The celebration will not only recognise the students' accomplishments and growth but will also serve as a memorable transition as they continue their educational journey. Our young graduates will be felicitated with a graduation certificate, indicating their successful completion of the kindergarten programme and readiness for primary school. This great event celebrates the end of one chapter while also symbolising the commencement of many more in the future.

EIS will also pay tribute to the **35th anniversary of the Al Ain Junior Group of Schools** at the event. AJ Group's vision of developing our young people into remarkable achievers who set the appropriate goals in education, morals, attitude, ethics, and values lives on!

An array of performances showcasing the abilities and talents of selected EIS students will undoubtedly provide a visual treat for the guests and parents in attendance. In this regard, parents of participants will be provided with a consent slip to sign. We would be thrilled if you would allow your child to take part in the performances.

An official programme invitation with complete details will be sent to you soon. Please reserve this day, May 31, 2024 (Sunday), and grace us with your presence at this auspicious event.
