

Dear Parent,

We are truly grateful for your steadfast support in ensuring the success of our students. We extend our heartfelt thanks to our esteemed parents for entrusting their children to participate in a wide array of extracurricular activities within and beyond the school. The resilience and adaptability displayed by our students serve as a testament to the attainability of excelling in both academic and co-curricular pursuits.

Please be advised of this month's highlights:

- **Marly Amir of 6B** was honoured as the Best Arabic Speaker in the 5th National Interschool Public Speaking Competition hosted by Abu Dhabi University and Liwa Schools, where our students excelled in both English and Arabic categories against 45 competing schools.
- **GL Assessments (PTS in English, Maths and Science)** commenced on May 20, 2024, and are still ongoing.
- Our **Junior football players** (boys under 11) secured the 2nd runner-up position in the Falcon Football Tournament. Additionally, **Omar Karim of 4B** was recognized as the best player in the tournament.
- EIS's debut at the UAE Talk held at Beaconhouse International School - Sharjah was a memorable experience. **Aroush Amad of 7B** represented us and made us proud. A special thank you to the trainers and parents for their tremendous support.
- Selected students from Grades 1 to 8 will present their special performance at the Louvre Museum on Thursday, May 30, 2024, for the **Creative Interpreters Programme - The Storytelling Challenge 2024**.
- The **little stars of Senior KG** will celebrate their graduation day on Friday, May 31, 2024, as they transition to primary education.

Student participants for the **Jubilant Journeys** will have practices during the zero period, while non-participants will continue with their regular class lessons. The school ensures that there will be no disruption in their studies as zero periods will be brief.

Please take a look at the official **digital invitation** and **video teaser** for this jubilant celebration attached to this email.

- **Remedial Classes**, an afterschool support service, will conclude on Wednesday, May 29, 2024.

The **Discovery Trail for Term 3, Week 7** is attached to this email.

There will be no Enquiry Trail for Grades 5-8, as revisions will be completed in preparation for the upcoming Term 3 Summative Assessments.

Grades 3, 5, and 7 students will take their **GL PTS in Science** on *Monday, May 27, 2024*.

Thank you for your kind attention and cooperation.

Best regards,

EIS Administration
