

Dear Parent,

Greetings from EIS!

We are thrilled to share that yesterday's events were nothing short of a spectacular success!

We extend our heartfelt gratitude for your unwavering support and cooperation at the E-voice Choral Recitation Competition. It was a magnificent showcase of poetic talent, and we cannot thank enough all the participating schools who came fully prepared, infusing the atmosphere with their creative expressions, synchronized performances, and captivating props.

The undeniable energy, radiant optimism, and engaging spirit of all the students truly brought the event to life, transforming it into a memorable experience that we will cherish for years to come. The intermission performances further delighted the audience and created a festive ambiance. This year's E-voice event is certain to be remembered fondly, and we eagerly anticipate its continuation in the future.

We look forward to welcoming E-voice back in subsequent years and expanding our collaboration with even more schools in Al Ain, and hopefully throughout the entire UAE.

On additional note, the presence of families and friends at the Cirque de l'Excel provided our young students with a moment of immense pride. A heartfelt milestone in the lives of our KG students, celebrating their achievements alongside their loved ones.

We trust that you enjoyed the evening as much as we did while orchestrating this amazing event.

Again, congratulations to our e-Voice winners and KG graduates!
