

Dear Parents and Guardians,

Greetings!

At EIS, we understand that education is a collaborative endeavour. Recently, during our Open House event held on Thursday, 26th September 2024, we were delighted to witness the enthusiastic involvement of our parents. We were thrilled to receive positive feedback from the attendees, and with their constructive recommendations, they directed our attention to areas needing improvement.

If you were unable to attend the Open House physically due to previous commitments or work, we kindly request you to send a message on Teams and express your interest in a virtual meeting. We will be more than happy to arrange a mutually suitable time for an online meeting between you and your child's teacher.

On another note, kindly be informed of the following:

- **World Teacher's Day**

Our school is incredibly fortunate to have dedicated teachers who inspire and guide our students every day. As a token of appreciation, we are celebrating **Teachers' Day** on **Friday, October 4, 2024**, and we would love for you and your children to be part of making this day extra special.

To celebrate, we encourage students to express their love and gratitude by bringing a *small, heartfelt card for their teachers*. It is these simple, thoughtful gestures that will truly brighten their day.

Additionally, we would be honoured to have your help in creating a memorable "**Vote of Thanks**" for our teachers. We kindly ask you to record a short 15-second video in **English or Arabic**, where you express your thanks to either a specific teacher or all teachers in general. Your child should stand beside you in the video, but we request that **you be the one speaking**.

Here are the key details:

- **Video Length:** 15 seconds
- **Format:** Portrait
- **Submission:** Send the video via email to saleeha.najeeb@eisalain.com
- **Deadline:** 01.10.2024 (Tuesday)

We are proud to share that this year's celebration will be led and hosted by our **Student Council**, adding an extra touch of student involvement to the festivities.

- **Welcome to our New Staff Member, Mr. Jinto Anthony**

Mr. Jinto Antony will take on the role of art teacher. With 14 years of experience teaching art in India and Qatar, he has also worked as an artist, assistant art director, and designer. His significant knowledge of creative and design disciplines will be extremely beneficial to our institution.

Once again, we would like to express our sincere gratitude and excitement for our partnership. While the school's commitment to providing excellent education remains unwavering, we are also determined to work hand in hand with you to foster a dynamic educational community where our children can flourish.

Best regards,
EIS Administration
