

Follow-Up Circular: Grandparents Day Celebration

Dear Parents and Guardians,

As we approach the Grandparents Day Celebration on **October 11, 2024**, we would like to remind you of a few important details to ensure this event is memorable for both the students and their grandparents.

Registration Reminder:

If you have not yet registered your child's grandparents for the event, either **in person** or **online**, we kindly request that you do so at your earliest convenience. Please use the following link to confirm their attendance: [Grandparents Day Registration](#).

Grade 1-4 Special Activity:

On this special day, students from **Grade 1 to Grade 4** will have the opportunity to express their love and appreciation for their grandparents through a heartfelt activity. Each student will either write a letter or draw a picture to send to their grandparents.

To make this meaningful, we ask for your help in providing the **complete postal address** of their grandparents. To avoid any mistakes, please clearly write the postal address on an **envelope** (sample attached). Kindly send the envelope with your child to submit to their class teacher by **October 5th, 2024**. In a time when digital communication prevails, these handmade letters and drawings will be cherished by grandparents, making their day extra special.

Dress-up Theme: "Olden Goldies"

To make this celebration even more exciting, we are incorporating a dress-up theme: **"Olden Goldies."** We invite all students to dress up as their grandparents might have during earlier times, reflecting the traditional values of family and heritage that the UAE holds dear. This is a wonderful way to honor the wisdom and legacy of our elders, whose values of respect, care, and community mirror the foundations of Emirati culture.

Moreover, by encouraging children to reuse or repurpose old clothes or accessories for their costumes, we are reinforcing the values of **sustainability**, which are so important in today's world. Let's work together to create lasting memories while instilling meaningful lessons in our children about respecting tradition and safeguarding our planet.

We look forward to your support in making this Grandparents Day a heartfelt celebration that strengthens the bond between generations. Your involvement is key to creating a day that your child and their grandparents will treasure for years to come.

Thank you for your continued cooperation and participation.

Best regards,

EIS Administration
