

Dear Respected Parent,

Greetings!

The Department of Islamic Studies is pleased to announce a forthcoming [Quran Recitation and Memorization Competition](#) scheduled for **November 7, 2024 (Thursday)**. The grade-level competition will be held during the club periods and is specifically intended for all Muslim students, providing them an important platform to demonstrate their abilities in reciting and memorizing verses from the Quran.

In preparation for this event, we have compiled a comprehensive list of surahs assigned to each class level, ensuring that every participant has a clear understanding of what they need to focus on. We strongly encourage parents to engage with their child/children during their preparations. Your support and encouragement will be invaluable as they practice their recitation and work on memorization techniques.

This competition not only aims to enhance the students' proficiency in Quranic recitation but also seeks to foster a deeper appreciation for the Quran. Together, let us motivate and inspire our children to embark on this rewarding journey, culminating in a celebration of faith and skill on the day of the competition.
