We hope to meet you in person and online!

- **Open House for Parents**

Please be advised that parent registration for the in-person meeting with teachers at Open House on Thursday, July 7, 2024, from 6 PM to 9 PM has been closed.

IMPORTANT NOTE: Due to time constraints, only registered participants will be given priority and accommodated for the upcoming parent-teacher meeting.

- **International Day Against Violence and Bullying, including Cyberbullying at School**

On **Thursday, November 7th, 2024**, our school will observe the *International Day Against Violence and Bullying, including Cyberbullying at School*. This day is dedicated to raising awareness about the imperative of establishing a secure, respectful, and supportive environment for all students.

Regular club activities will be suspended for the day, and students will participate in a range of carefully curated activities aimed at promoting kindness, respect, and understanding of the ramifications of bullying. These activities have been thoughtfully planned by our Student Council members to align with the needs of each age group, to foster positive conduct and social responsibility.

We encourage all students and staff to wear **orange** on this day to demonstrate solidarity against bullying. Following an assembly, there will be a school march to further underscore our commitment to this significant cause.

We kindly seek your assistance in emphasizing the significance of this day with your child.

- **Quran Recitation and Memorization Competition**

As intimated earlier, the competition will be conducted this **Thursday, November 7, 2024**, during the club periods for Islamic Studies students from Grades 1 – 8. We hope that the children have been ready and have practised their Surahs under your caring supervision.

- **Sustainable Bookmark Making Competition (THEME: ANTI-BULLYING)**

A creative and eco-conscious competition for students in **Grades 5-8** will be held on **Thursday, November 7, 2024**, during the club periods. This competition invites students to unleash their imaginations by crafting unique bookmarks that reflect their style and commitment to sustainability.

Materials Needed:

Students are encouraged to gather and bring materials from home that are sustainable or recycled. Consider using items such as recycled paper, dried leaves, small twigs, branches, colourful fabric scraps, cardboard, or other natural materials.

Judging Criteria: *Creativity and originality, Use of sustainable materials and Overall presentation*

We cannot wait to see the innovative designs our students will come up with and how they can turn eco-friendly materials into functional art. Winners will receive exciting prizes, and all participants will earn a certificate of appreciation.

Thank you for your attention and continued support.
