

Dear Parent,

As we embark on this new academic year, we are delighted to invite you to discover the vibrant culture of EIS and our unwavering commitment to preparing our students to be 'ready for life'. We are enthusiastic to foster a strong and collaborative home-school partnership to ensure that concerns are addressed and expectations are met.

To begin, we will be hosting a **Parent Orientation and Curriculum Evening on Friday, 29 August 2025, at EIS**. We aim to inspire greater parental engagement, equip you with valuable tools to support your child's learning journey, strengthen mutual trust between families and educators, and facilitate a seamless transition for all students within the EIS learning community.
