

Dear Parent,

Please note of the following information:

[Copycat Competition 2025-26](#)

It's high time to liven things up! We say cheers to new avenues of intellectual adventures!

EIS is excited to launch its very first competition of the academic year, a vibrant stage for our students to shine. Here, pupils will breathe new life into sample illustrations, models, and artworks as they **reimagine, rebuild, and reinterpret**, infusing each creation with their own unique flair and creativity.

This activity promises more than just fun—it sparks imagination, hones keen observation, and builds replication skills, all within a supportive and inspiring community.

Please send your child's colouring materials with them.

Detailed information on the same will be shared by the class teachers.

[Baseline Assessments](#)

To support the diverse learning journeys of our students, we will be conducting baseline assessments from **1st to 4th September 2025, Monday through Thursday**. Baseline portions have been posted in Edunation for your reference. The same has been attached in this email.

Monday, 1st Sept.	Tuesday, 2nd Sept.	Wednesday, 3rd Sept.	Thursday, 4th Sept.
English	Math	Arabic	Science

Essentially, this process helps us understand each child's unique journey as they step into a new classroom or year level. Baseline assessments shine a light on every student's strength and reveal opportunities for growth, empowering our educators to set meaningful and attainable goals (targets) tailored to each learner.

[Parent Orientation and Curriculum Evening \(Year 4 to 9\)](#)

We invite all Year 4 to 9 parents to join us at EIS on 5th September for this session. If 5th September is declared an official holiday for Prophet Muhammad's birthday, we will warmly welcome you instead on Thursday, 4th September, from 7:00 pm to 9:00 pm.

Kindly be guided accordingly.
